# SUBJECT INDEX

JOURNAL FOR NURSES IN STAFF DEVELOPMENT • Volume 16, Number 6, 297–300 • 2000 • Lippincott Williams & Wilkins

**A**

AIDS, relationship between death-related experiences, death anxiety, and patient care attitudes among AIDS nursing staff, 118
Ambulatory care, dosage calculation testing for competency in ambulatory care *(letter)*, 48
Anxiety, relationship between death-related experiences, death anxiety, and patient care attitudes among AIDS nursing staff, 118
Armenia, expanding the role of nurses in Armenia, 138
Attitudes
  nurses' attitudes and practices regarding voluntary continuing education, 164
  relationship between death-related experiences, death anxiety, and patient care attitudes among AIDS nursing staff, 118

**B**

Barriers to eating
  comparing nutrition knowledge exam scores with reported nutrition topics of interest among nursing home nurses, 277
  nursing assistants' perceptions of barriers to nutrition care for residents in long-term care facilities, 216
Behavior
  from school to work: employer perceptions of nursing skills, 80
  teaching staff to handle a patient's sexually inappropriate behavior, 181
Behavior change, continuing education evaluation of behavior change, 49
Belonging, sense of belonging and new graduate job satisfaction, 103
Book reviews
  Clinical Delegation Skills: A Handbook for Professional Practice (2nd Ed.), R Hansten & M Washburn, 89
  Clinical Genetics in Nursing Practice (2nd Ed.), F Lashley, 89
  Cultureshift: A Leader's Guide to Managing Change in Health Care, JE Lowery (ed), 90
  Geriatric Interdisciplinary Team Training, EL Siegler, K Hyer, T Fulmer & M Mezey (eds), 185
  Home Care Nursing Handbook (3rd Ed.), C Humphrey, 41
  Hospice Care Planning: An Interdisciplinary Guide, CL Frozena & M Hurtt, 240
  Infection Control in Home Care, E Rhinehart & MM Friedman, 296
  Interdisciplinary Case Studies in Health Care Redesign, ML Parsons, CL Murdaugh, RA O'Rourke, 184
  Patient Care Standards, P Maguire (ed), 144
  Psychosocial Nursing Care Along the Cancer Continuum, RM Carroll-Johnson, LM Gorman & NJ Bush (eds), 41
  Strategies for the Future of Nursing: Changing Roles, Responsibilities, and Employment Patterns of Registered Nurses, E O'Neill & J Coffman (eds), 184
  Teaching Nursing in the Era of Managed Care, BS Barnum, 240
  Transforming Nurses' Anger and Pain: Steps Toward Healing, SP Thomas, 144

**C**

Change management, educating to manage the accelerated change environment effectively: part 1, 282
Clinical judgment, identifying critical thinking behaviors in clinical judgments, 174
Clinical skills, look, learn, and be satisfied: video playback as a learning strategy to improve clinical skills performance, 232
Cognitive style, integrating technology and traditional teaching methods to stimulate different cognitive styles in a critical care course, 31
Collaboration, from school to work: employer perceptions of nursing skills, 80
Communication
  our dialogue: a case study in peer mentoring, 68
  pyramids to success: laying the foundation for professional practice, 96
Compact disc, compact disc interactive: a multimedia solution for staff education, 131
Competency
  achieving department safety: a team approach to development of a department safety plan template, 209

developing computer-based training for age-related competencies, 195
dosage calculation testing for competency in ambulatory care *(letter)*, 48
providing mandatory safety information to hospital employees: finding a way that is fast, fun, and effective, 17
from school to work: employer perceptions of nursing skills, 80
Computer. *See* Technology
Computer-assisted instruction, mandatory education via the computer: cost-effective, convenient, and creative, 157
Concept map, integrating technology and traditional teaching methods to stimulate different cognitive styles in a critical care course, 31
Conceptual models, facilitating critical thinking, 23
Consultation, preparing for an international consultation, 222
Continuing education
achieving department safety: a team approach to development of a department safety plan template, 209
compact disc interactive: a multimedia solution for staff education, 131
continuing education evaluation of behavior change, 49
development of a discharge planning mentorship program, 11
increasing critical care skills of non-critical care nurses, 124
level 3 evaluation of education program designed to implement patient care redesign, 55
mandatory education via the computer: cost-effective, convenient, and creative, 157
measurement of return on investment of workplace education: an annotated list of references, 289
nurses' attitudes and practices regarding voluntary continuing education, 164
patient-centered approach to nurse orientation, 249
problem-based learning in clinical practice facilitating critical thinking, 257
providing mandatory safety information to hospital employees: finding a way that is fast, fun, and effective, 17
pyramids to success: laying the foundation for professional practice, 96
from school to work: employer perceptions of nursing skills, 80
sense of belonging and new graduate job satisfaction, 103
utilization-focused evaluation: evaluating the effectiveness of a hospital nursing orientation program, 202
value of training and orientation programs in large medical organizations, 151
Cost containment, mandatory education via the computer: cost-effective, convenient, and creative, 157
CQI (continuous quality mprovement), CQI approach to evaluating continuing education: processes and outcomes, 34
Critical care
increasing critical care skills of non-critical care nurses, 124
integrating technology and traditional teaching methods to stimulate different cognitive styles in a critical care course, 31
Critical thinking
encouraging critical thinking, 87
facilitating critical thinking, 23
identifying critical thinking behaviors in clinical judgments, 174
problem-based learning in clinical practice facilitating critical thinking, 257
Curriculum design, LPN role advancement: from blueprints to ribbon cutting, 112

**D**

Death and dying, relationship between death-related experiences, death anxiety, and patient care attitudes among AIDS nursing staff, 118
Decision making, computer simulation for entry-level RN: enhancing clinical decision making, 5
Dialogue, our dialogue: a case study in peer mentoring, 68
Discharge planning, development of a discharge planning mentorship program, 11

**E**

Education
computer simulation for entry-level RN: enhancing clinical decision making, 5
CQI approach to evaluating continuing education: processes and outcomes, 34
development of a discharge planning mentorship program, 11
dosage calculation testing for competency in ambulatory care *(letter)*, 48
educating to manage the accelerated change environment effectively: part 1, 282
games galore, 168
integrating technology and traditional teaching methods to stimulate different cognitive styles in a critical care course, 31
level 3 evaluation of education program designed to implement patient care redesign, 55
mandatory education via the computer: cost-effective, convenient, and creative, 157
measurement of return on investment of workplace education: an annotated list of references, 289
microcomputer education for nursing: an approach to microcomputer education in a large tertiary care center, 73
providing mandatory safety information to hospital employees: finding a way that is fast, fun, and effective, 17
teaching strategies for foreign nurses, 171
using the nursing process to implement a Y2K computer application, 227
Employee turnover/retention, value of training and orientation programs in large medical organizations, 151

Evaluation
CQI approach to evaluating continuing education: processes and outcomes, 34
level 3 evaluation of education program designed to implement patient care redesign, 55
from school to work: employer perceptions of nursing skills, 80
utilization-focused evaluation: evaluating the effectiveness of a hospital nursing orientation program, 202

**F**

FADE (focus, analyze, develop, execute), pyramids to success: laying the foundation for professional practice, 96
Foreign-trained nurses, teaching strategies for foreign nurses, 171

**G**

Gaming
games galore, 168
using games to determine learning styles, 293
Graduate, sense of belonging and new graduate job satisfaction, 103

**I**

Informal dialogue, our dialogue: a case study in peer mentoring, 68
International consultation, preparing for an international consultation, 222

**J**

Job satisfaction, sense of belonging and new graduate job satisfaction, 103
Job skills, LPN role advancement: from blueprints to ribbon cutting, 112

**L**

Leadership development, expanding the role of nurses in Armenia, 138
Learning
CQI approach to evaluating continuing education: processes and outcomes, 34
look, learn, and be satisfied: video playback as a learning strategy to improve clinical skills performance, 232
microcomputer education for nursing: an approach to microcomputer education in a large tertiary care center, 73
problem-based learning in clinical practice facilitating critical thinking, 257
using games to determine learning styles, 293
Letter to the editor, 48
Licensed practical nurse, LPN role advancement: from blueprints to ribbon cutting, 112

**M**

Marathon, providing mandatory safety information to hospital employees: finding a way that is fast, fun, and effective, 17
Mentoring
development of a discharge planning mentorship program, 11
our dialogue: a case study in peer mentoring, 68

**N**

Nursing assistant
comparing nutrition knowledge exam scores with reported nutrition topics of interest among nursing home nurses, 277
nursing assistants' perceptions of barriers to nutrition care for residents in long-term care facilities, 216
Nursing home residents
comparing nutrition knowledge exam scores with reported nutrition topics of interest among nursing home nurses, 277
nursing assistants' perceptions of barriers to nutrition care for residents in long-term care facilities, 216
Nursing policies & procedures, total reorganization of a nursing policy and procedure manual, 61
Nursing process, using the nursing process to implement a Y2K computer application, 227
Nursing students, identifying critical thinking behaviors in clinical judgments, 174
Nutrition
comparing nutrition knowledge exam scores with reported nutrition topics of interest among nursing home nurses, 277
nursing assistants' perceptions of barriers to nutrition care for residents in long-term care facilities, 216

**O**

Occupational prestige, teaching strategies for foreign nurses, 171
Orientation
developing computer-based training for age-related competencies, 195
patient-centered approach to nurse orientation, 249
utilization-focused evaluation: evaluating the effectiveness of a hospital nursing orientation program, 202
value of training and orientation programs in large medical organizations, 151
Outcomes, CQI approach to evaluating continuing education: processes and outcomes, 34
Outcomes research, continuing education evaluation of behavior change, 49

**P**

Pathway, patient-centered approach to nurse orientation, 249
Patient care redesign, level 3 evaluation of education program designed to implement patient care redesign, 55
Peer mentoring, our dialogue: a case study in peer mentoring, 68
Physical restraints, physical restraint management of hospitalized adults and follow-up study, 267
Policy & procedure manual, total reorganization of a nursing policy and procedure manual, 61

Preceptorship, using games to determine learning styles, 293
Problem-based learning, problem-based learning in clinical practice facilitating critical thinking, 257
Productivity, our dialogue: a case study in peer mentoring, 68
Professional development
facilitating critical thinking, 23
problem-based learning in clinical practice facilitating critical thinking, 257
pyramids to success: laying the foundation for professional practice, 96

**R**

Regulatory standards, mandatory education via the computer: cost-effective, convenient, and creative, 157
Restraints, physical restraint management of hospitalized adults and follow-up study, 267
Role advancement, LPN role advancement: from blueprints to ribbon cutting, 112

**S**

Safety education, providing mandatory safety information to hospital employees: finding a way that is fast, fun, and effective, 17
Safety plan template, achieving department safety: a team approach to development of a department safety plan template, 209
Self-directed work group, pyramids to success: laying the foundation for professional practice, 96
Self-learning packet, providing mandatory safety information to hospital employees: finding a way that is fast, fun, and effective, 17
Sexually inappropriate behavior, teaching staff to handle a patient's sexually inappropriate behavior, 181
Skills, from school to work: employer perceptions of nursing skills, 80
Staff development
compact disc interactive: a multimedia solution for staff education, 131
educating to manage the accelerated change environment effectively: part 1, 282
encouraging critical thinking, 87
expanding the role of nurses in Armenia, 138
identifying critical thinking behaviors in clinical judgments, 174
increasing critical care skills of non-critical care nurses, 124
LPN role advancement: from blueprints to ribbon cutting, 112
measurement of return on investment of workplace education: an annotated list of references, 289
microcomputer education for nursing: an approach to microcomputer education in a large tertiary care center, 73
patient-centered approach to nurse orientation, 249
preparing for an international consultation, 222
from school to work: employer perceptions of nursing skills, 80
storytelling in staff development practice, 86
teaching staff to handle a patient's sexually inappropriate behavior, 181
teaching strategies for foreign nurses, 171
total reorganization of a nursing policy and procedure manual, 61
using games to determine learning styles, 293
Storytelling, storytelling in staff development practice, 86
Survey
level 3 evaluation of education program designed to implement patient care redesign, 55
microcomputer education for nursing: an approach to microcomputer education in a large tertiary care center, 73

**T**

Technology
compact disc interactive: a multimedia solution for staff education, 131
computer simulation for entry-level RN: enhancing clinical decision making, 5
developing computer-based training for age-related competencies, 195
integrating technology and traditional teaching methods to stimulate different cognitive styles in a critical care course, 31
mandatory education via the computer: cost-effective, convenient, and creative, 157
microcomputer education for nursing: an approach to microcomputer education in a large tertiary care center, 73
using the nursing process to implement a Y2K computer application, 227
Training
achieving department safety: a team approach to development of a department safety plan template, 209
developing computer-based training for age-related competencies, 195
games galore, 168
using the nursing process to implement a Y2K computer application, 227
value of training and orientation programs in large medical organizations, 151

**V**

Video, look, learn, and be satisfied: video playback as a learning strategy to improve clinical skills performance, 232
